FROM THE DIRECTOR'S DESK

Dear Families & Friends of PC2:

While the official start of the Fall season is still two weeks away, PC2 is already in full swing with the new season's activities and events.

Our popular Legal Series is being co-hosted with Franklin Pierce School District in October. Families share with us regularly how important and valuable this information is for planning for the future of their loved ones. Those of you interested in attending any or all of the sessions, please set aside October 16th, 23rd, and 30th, and call us at 253-564-0707 to reserve your spot. (You will find the flyer with more details on page 5.)

Those of you who have sons and daughters transitioning to adult services and employment in the next few years will want to join us for the Department of Vocational Rehabilitation (DVR) Program Overview on September 25th at the PC2 office. This workshop will help you understand how DVR can support your son or daughter's employment goals. (See page 4 for the program flyer.)

Remember to save the date - **November 19, 2019** - for the Annual Pierce County Legislative Forum. PAVE is in the process of planning this year's Forum and we want to encourage ALL of you to participate and share your stories with your legislators. All of the details to help you plan and participate in this important event can be found at the Pierce County Legislative Forum website - <https://www.piercelegislativeforum.org/> See you at the Forum!

For an afternoon of seasonal fun, PC2 and L'Arche are teaming together on October 31st for a Senior Families Halloween Pizza Party (BOO!). For more details about the day's activities, call PC2 at 253.564.0707.

PC2 gift cards are available for families and friends to get out and about in our community. Gifts cards can be used for movies, bowling, or Starbucks. Families who have used the gift cards in the past share that they have really enjoyed being together and making new friends. Call us for more information. We look forward to seeing pictures of your outings!

We want to thank Pierce County for supporting our printed Winter and Spring newsletters this year. They will be distributed through the schools, or you can stop by the office to pick up a copy. We know that these issues are helpful in planning for the holiday and Summer breaks. Watch your email for publishing date announcements.

We look forward to seeing you at many of the PC2 events this Fall. Remember, be sure to call if we can be of assistance and please take a few minutes to complete and return the survey on the back page so we can know how we can best support you and your family. (You can call the office and complete the survey with a staff member if that is easier than mailing it back to us.)

Thank you,
Beth Ann
